

## FOREWORDS AND EDITORIAL

### BY THE FEI PRESIDENT

It is my great pleasure to introduce you to the 2008 Media Guide for the Samsung Super League with FEI, the definitive guide to this important series. This publication is designed to contain pertinent information for the media and all those seeking detail and background.

This year marks the sixth running of this unique series where to host a qualifier and to compete in it are both marks of extraordinary ability. The awarding of a qualifier, by the FEI, is a mark of the skills of the organisers in producing a show of outstanding quality, whilst to compete in the series recognises that the team is amongst the eight best national teams in the world. This series is the very essence of Jumping; it tests the merits of the best at venues that set the benchmark for Jumping outdoors.

Whether you will be covering one or all of these spectacular shows, I would like to offer you, on behalf of the Fédération Equestre Internationale (FEI), our thanks for your work. Awareness of this series and horsesport is going from strength to strength and this is due to our continuing partnership with you the media.
